“UNITED TO BUILD HEALTHIER COMMUNITIES”

Salim Al-Nurridin
Healthcare Consortium of Illinois
Chief Executive Officer

Established 1991

WORKFORCE DEVELOPMENT INITIATIVES

VISION

To promote services that well prepare individuals to succeed in the workplace

Our vision is accomplished through a functioning model aiding the workforce population toward securing and maintaining long term employment.

To promote job creation, education and training for real jobs.

Who We Are

The Healthcare Consortium of Illinois (HCI) is a community based integrated health and human service organization with a diverse membership representing all facets of health and human services disciplines.

MISSION

The Healthcare Consortium of Illinois (HCI) is an organization of partners committed to developing and maintaining targeted community based, integrated health and human service delivery systems which increase health and well-being of individuals, families and communities throughout Illinois by advocacy, awareness and action.

VISION

To become a national leader committed to facilitating health and human services through Advocacy, Awareness and Action through cutting edge quality driven and diversified best practices and processes.

Our Mission and Vision are accomplished through

Advocacy

Awareness

Action

What We Do

WORKFORCE DEVELOPMENT INITIATIVES (WDI)

Workforce Development Initiatives is a program within the Human Resources Department providing the following services:

- **TANF** (Temporary Assistance to Needy Families). Customers are involved in training, education and work experience leading to employment.
- **SNAPE&T** (Supplemental Nutrition Assistance Program Employment and Training) Customers are between 18—49 years of age, non-custodian adults receiving food stamps. They are assisted with acquiring work skills and finding employment.

Training Programs

- **Community Health Workers**—training for those interested in working in hospital, clinics and other healthcare agencies. Training made possible through Department of Commerce and Economic Opportunity JTED Grant program.
- **Customer Service**—training for individuals interested in working with call centers and other agencies where customer services is the product.

Benefits

Efforts are made to place clients with work site partners to develop or enhance their skills in preparation for long-term employment.

Employers can be assured that any clients they hire will receive continual case management and supportive services to address employment barriers.

Worksite partners are recognized for their contributions at the Annual Partners Update.

OTHER EMPLOYER BENEFITS

Referrals are:

- Ready to work
- Screened to match specific job openings
- Provided information concerning Welfare to Work tax credits
- Provided bonding if required
- Provided continuous employment mentoring
- Provided career services

We are always looking for good partners to be a part of the program.. Contact Jeffrey Mullins, Deputy Director for more information
